Great Attendance Equals Great Results

At the end of last term, children who attended school for 95% of the time (3 absent days or less) were treated to a sausage sizzle and ice block. Thirty one of our forty five students (70%) achieved this attendance goal. Rossville State Schools has recently had some of the best attendance rates on the cape!

This is part of the reason that recent regional data showed that Rossville students were amongst the top 3 schools in North Queensland for Numeracy movement and top 15 schools in reading movement.

Thank you to the parents and guardians who insist on high levels of attendance.

Annual Survey
Attached to this newsletter is the annual school survey.
This year the school survey can be completed using the handwritten forms attached to this newsletter or online using the link and password attached to the form. Please return the forms to the school via your child. Students and staff also get to complete the survey at school.

School Motto
Rossville State School currently has no Motto. The school would like parents and children to discuss a motto that is unique to Rossville.

Have listed some other school motto’s to assist.
'Hold Fast That Which Is Good'
'Hook into learning, reel in opportunities'
'A place to live, learn and grow'
