Camp is Next Week!

Our year 3, 4, 5, 6 and 7 students are all very excited about next week’s camp. Students have arranged their tent and duty groups for the week.

Whilst students will relish the canoeing, hiking, giant swing and ropes courses, past experience has shown me that being away from home for such a long period of time is also of great benefit, building responsibility skills and resilience in our wonderful students.

Cluster Swimming

Last week the senior class competed in the Southern Cape Cluster swimming carnival. Our students represented Rossville with pride. Some stand out performers were Trent Duncan, Eliza Sail, Tayla Crosby, Matilda Sail and Arthur Dear.

Prep Orientation

There will be a Prep orientation day on Tuesday the 19th of November. If your child is going to be a Prep in 2014 please contact the school for an information booklet.

P and C

The last formal P and C meeting was held on the 16th of October. I would like to personally thank our President: Heidi Carrol, Secretary: Aly Lee, Vice President: Paul Gavin and Treasurer: Jo Slocombe for all the effort they have put in throughout the year.

Assembly

No assembly for the first 5 weeks due to swimming programme.

Lake Tinaroo

More photos are included in the senior class capers.

Wheelchair Basketball

"Expect Excellence; Celebrate Success"

South Cape Cluster

Term 4
End of term 4: 6/12/2013
Term 1 begins: 28/1/2014

Senior Class:

Senior Swimming Carnival Pictures

concepts that some have found tricky. Year 3s have been getting stuck into number lines, practising showing things such as fractions, decimals and time on a number line. Yr 1s and 2s have been having another go at division and fractions.

In English we have had a chance to write creatively, with some kids showing great imagination.

Lower School:

This term we are looking at the history of one of our local landmarks: the Lion’s Den Hotel. We are researching what life would have been like for someone coming to the area in the 1880s, when the tin mine that the hotel was supposedly named for was still operating.

We are combining new technology with the old, using google images to find pictures of old things. We have learned how to copy and paste pictures to a document, save and print files. Next we’ll be comparing and contrasting some of these old things with what we use today.

In Maths we are using the last term of the year as a chance to go over concepts that some have found tricky. Year 3s have been getting stuck into number lines, practising showing things such as fractions, decimals and time on a number line. Yr 1s and 2s have been having another go at division and fractions.

In English we have had a chance to write creatively, with some kids showing great imagination.

Photos: we’ve been using the internet to research old things for History. Shannon is great at cut and paste!

P and C News

The next market day is on the 16th of November. It’s the birthday markets. The attached flier provides all the required information.

Next year the P and C will be looking for new committee members. There is plenty of support for people taking up new roles.

If you are interested in a role in 2014, please contact the school.
