Principal's Report

Term 4 2021

Dear Parents and Carers,

Wow! The 2021 school year is drawing to a close. Looking back over the year, the students have had many opportunities to learn, create, explore and experience. This is due to the hard work and diligence of the fantastic team at Rossville State School. Some of these great experiences include Harmony Day and NAIDOC, Bushwalking and Camp, and the Science fair, inspiring improvement across all learning areas.

A massive thank you to all involved in this success; John and Sue for keeping our grounds and classrooms clean and safe, Miss Green and Miss Fiona for guiding student learning, Miss Jane, Mr Mike, Miss Margie and Miss Bella for supporting the students and teachers, Miss Jen and Miss Sandy for their work in the Library and on the Newsletter and Miss Jayne in the office helping everyone stay in touch and resourcing the school. Lastly all of the parents and carers who have supported the students throughout the year, your support has been incredible. Thank you.

Christmas Concert and Graduation

This week the year 6 students will have a special dinner in Cooktown to celebrate the end of their journey at Rossville State School. They will also have a formal Graduation and celebration at our Christmas concert on Monday. The students have been working hard on performances and are excited to share them with you. We are looking forward to seeing everyone there.

Queensland is Opening up

As many will be aware Queensland is opening up and the health advice continues to be updated regularly. The school has a range of plans in place to ensure all students are able to continue their learning. We will use a range of communication including, phone, SMS, email and facebook. If you have new contact details, please let Miss Jayne know so that we have accurate records.
